The retention of any waste matter in the system produces injury. The collection of "bile" or diseased mucus in time of cold or throat affection should be promptly removed. Dr. Bull's Cough Syrup does it more quickly and effectively than any other cough syrup made.

It seems to be against State policy to grant pensions to members of the Ohio National Guard injured in the line of duty.

The United States Fish Commissioner is engaged in depositing 6,000,000 white fish spawn at different points in Lake Michigan.

General Sherman will leave the 1st of March for an eight or ten weeks tour of the department of Texas, New Mexico and Arizona.

Our genial friend Geo. S. Canfield, of the Toledo Sunday Journal, is writing a series of interesting articles for his paper entitled "Two Campaigns—A Drummer Boy's Recollections of the Army of the Cumberland." His description of the Battle of Chickamauga is spirited and well written. There are many old soldiers among the readers of the News, who participated in that great battle, and who would find these sketches extremely entertaining. Copies of the Journal containing them, can be had by addressing the publishers, Sherwood and Canfield, Toledo, O.

A DECIDED TEMPERANCE TRIUMPH.

IN THE OHIO LEGISLATURE.

NO LIQUOR SELLING ON SUNDAY.

The first decided Temperance triumph in our new State Legislature was gained on Wednesday of last week, by the passage in the House, of Mr. Smith's amendment to the Stubbs Sunday Law of last winter. The amendment prohibits the opening of any place for the sale of intoxicating liquors, including vinous and malt liquors, on Sundays, except by drug store on the written prescription of a physician. The penalty for the offense is a fine of not exceeding \$50, and for the second and each subsequent offense, a fine of not exceeding \$100, and imprisonment for ten days in the county jail or city prison.

The first vote on the passage of the bill was taken on Tuesday, and resulted, yeas 51, nays 19. There being 53 votes required to pass a bill it lacked two of the necessary number. The next day, Mr. Smith moved a reconsideration, and the bill passed by yeas 57, nays 29.

Of those voting for the bill 53 were Republicans, and 4 Democrats, namely, Messrs. Devereux, Hall, Hopkins, and McCollough.

We congratulate the friends of Temperance and of the proper observance of the Sabbath, on the passage of this most excellent law, and hope it will also pass the Senate by a decided majority. We regret to say that 5 Republicans voted against the bill, and several others refused to vote either way, for want of the moral courage to vote according to their convictions.

We should think every honest Temperance Democrat would feel ashamed of his party in view of the fact that only four Democrats in the House voted for the bill.

We are glad to say that our Representative, Hon. J. J. Pugsley, voted for the bill, as he has for every other practical temperance measure since his election, thereby faithfully representing the will of his constituents.

The present Legislature, which is Republican by a larger majority than any Legislature for many years past, has thus shown that the Republican party is the only one that can be relied upon for Temperance legislation in our State, notwithstanding the many assertions to the contrary, which were so freely made last fall by the Democrats as well as by our friends of the Prohibition party.

We congratulate the Republican majority upon the good work it has done, and hope it will not weary in well-doing.

Having used Dr. Bull's Cough Syrup in my family for the last three years, I find it is the best preparation I have ever used for Coughs and Colds, giving almost immediate relief. R. WALKER, Gen'l Com. Merchant, 118 Light St., Balt., Md.

HILLSBORO.
Feb. 18.—Mr. Henry Jones, an old and highly respected citizen, of our township has been sick for several weeks.

Mr. Lewis Stratton and Mr. Daniel Ackels each lost a child by death, this week.

Messrs. Clayton and Bond, of Danville, will open up a new store here, about the 1st of March.

The year 1881 witnessed a great many improvements in Clay township. Among the many new buildings that have been erected during the past year, are the new dwellings by Noah Edwards and Sanford Moler; frame dwellings by Adam Moler, Godfrey Paul and Albert Matthews. New barns have been built by the following persons: S. G. Maronett, C. R. Moler, James Healey, Dr. John Shockey, J. R. Hinkle, J. H. Peiffer, R. C. Ringman and George Jones. Several of the barns above mentioned are very large and were built with a special view to the storing of tobacco, a very large crop of that commodity having been raised in this township last year, and a much larger crop will be put out the coming season.
